Fort St. George, November 23, 1931 (G.O. No. 722, Finance.)

No. 9.—In G.O. No. 762, Finance, dated the 1st December 1930, the Government directed the addition of a note to the subsidiary rules 4 (*c*) and 5 under Fundamental Rule 44 to the effect that the competent authority should, in cases in which the subsidiary rule operates, embody in the orders sanctioning the leave or transfer a certificate regarding the likelihood of the Government servant's return either to the post from which he proceeds on leave or transfer or to another post carrying a similar allowance. Subsequently instructions were issued in G.O. No. 325, Finance, dated 13th May 1931 to the effect that a Government servant who desires to avail himself of the benefits of subsidiary rules 4 (*c*) and 5 under Fundamental Rule 44 should submit his claim, with a statement of the relevant expenses, to the authority sanctioning the leave or transfer and that that authority should then decide, having regard to the provisions of Fundamental Rules 44 and 93, how much of the allowance should be drawn, and communicate his decision to the Audit Officer with a copy of the statement of expenses referred to above. The orders in this Government Order have been reconsidered by Government in the light of the amendments made by the Government of India to their supplementary rules. The Government have decided that the statement of actual expenses prescribed in G.O. No 325, Finance, dated 13th May 1931, need not be furnished in future. They consider that it will be sufficient—

(i) if in the case of an allowance granted for the expensiveness of living, the Government servant certifies that he or his family or both resided for the period for which the allowance is claimed at the old station or at another station in which he would be entitled to a similar allowance, and

(ii) if, in the case of other allowances, the Government servant certifies that for the period for which the allowance is claimed, he continued to incur the expenses for which the allowance was granted.

2. In exercise of the powers conferred by Fundamental Rule 44 and in pursuance of the provisions of Fundamental Rule 5, the Governor in Council and the Governor acting with the Ministers hereby direct that the following additions be made to subsidiary rules 4 and 5 under Fundamental Rule 44:—

(1) *Add* the following to the *Note* under subsidiary rule 4 (*c*):—

"The Government servant should also certify that for the period for which the allowance is claimed he continued to incur expenditure on the maintenance of tents."

(2) *Add* the following as a sub-paragraph to Note 2 under subsidiary rule 5:—

"In the case of an allowance granted for the expensiveness of living, the Government servant should certify that he or his family or both resided for the period for which the allowance is claimed at the old station or at another station in which he would be entitled to a similar allowance. In the case of other allowances, the Government servant should certify that for the period for which the allowance is claimed, he continued to incur the expenses to meet which the allowance was granted."

No. 10.—The following notifications of the Government of India are republished:—

HOME DEPARTMENT.

POLITICAL.

Delhi, the 18th December 1914.

No. 2951—2964.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department, No. 2831-2842, dated the 8th December 1899, the Governor-General in Council is pleased to issue the following instructions with regard to certificates of identity.

2 Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to embarrassed circumstances are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability, is not sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant ——————
2. Father's name and caste ——————
3. Residence ——————
4. Age of applicant ——————
5. Nationality of applicant* ——————
6. Social or pecuniary status of father (or guardian) ——————
7. Date or probable departure of applicant from India ——————
8. Object of applicant's visit to England (Europe).

---

* I.e., whether a British subject by birth or by naturalisation (or a subject of a Native State).

† Countersignature of the District or Political Officers should be obtained on certificates signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of a right on the sole ground that he is a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure a grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a Local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

Simla, the 2nd August 1916.

No. 6857.—The following letter received from the Government of the East Africa Protectorate is published for general information:—

THE SECRETARIAT, NAIROBI,
EAST AFRICA PROTECTORATE,
June 27, 1916.

Sir,

I have the honour to inform you that the Government of British East Africa Protectorate has recently had under consideration the desirability of enforcing more strictly the provisions of the Immigration Restriction Ordinance, 1906, and the Immigration Restriction Amendment Ordinance, 1910, copies of which are enclosed herewith.

2. Section 11 of the original enactment provided that any person appearing to be a prohibited immigrant under section 5 (*a*)* might be permitted to enter the Protectorate on payment of a *deposit* according to nationality.† In the course of time this restriction was shown to be acting as a deterrent in the case of persons who might well be admitted to the country, and the amending Ordinance was promulgated whereby the Immigration Officer was empowered to accept security in lieu of the *deposit*.

3. In the great majority of cases no arrangements for this security are made prior to embarkation and in consequence such persons have hitherto been allowed to land in order that they may be given the opportunity of finding a surety. This concession has led to abuse and is itself objectionable inasmuch as the deposit prescribed by section 11 of the *Ordinance* of 1906 is payable before landing and if this section is read together with section 3 (1) of the amending Ordinance of 1910 it is clear that the demand for security must also be complied with before landing.

4. The Government has therefore decided that all immigrants should either make the necessary deposit, or provide the security required, before leaving the ship on arrival in port. The strict enforcement of this regulation will take effect as from the 1st of September 1916 and I have the honour to request that steps may be taken to make this procedure known in those districts from which immigrants to British East Africa usually arrive. Persons who cannot deposit the necessary sum or have failed to find the requisite security will after that date be sent back to India, and the Government of this Protectorate will not hold itself responsible for any expenditure thus incurred.

I have the honour to be,
Sir,
Your most obedient servant,

C. C. BOWRING,
Chief Secretary to Government.

Local Governments and Administrations are requested to make the intimation contained in the letter as widely known as possible, particularly in places from which emigration to British East Africa is believed to be most common. Intending emigrants should also be warned of the risks they run in proceeding to the Protectorate if they are unable, before landing, to deposit the sum of Rs. 50, or to comply with the demand for the requisite security in lieu of the deposit.

V. N. VISWANATHA RAO,
Secretary to Government.

Timely notice will be given to the candidates concerned.

2. *If a candidate who belongs to one Indian State selects a centre in another Indian State, he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

3. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and *no candidate will be allowed to name more than one centre.* No candidate will on any account be allowed to change the centre of examination entered in his application, which must invariably be the place where he is employed or ordinarily resides or should it not be a centre the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination annulled.

4. In addition to the above centres, the Commissioner will be prepared to arrange for the holding of the *Written* examinations in any of the subjects mentioned at any other place if he is satisfied that not fewer than *fifty* candidates are likely to offer themselves for examination, and it is advisable to make such place a centre. Applications for the inclusion of such place or places in the list of centres should be made to the Commissioner through the local educational or other authorities concerned before the 15th January. Ordinarily, however, only one place will be constituted a centre for each district.

5. Candidates whose examinations, either Written or Oral and Practical, cannot be arranged for at any place must, *at their own expense*, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear.

6. The Oral and Practical Examinations in Type writing (Higher grade) will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

III. SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

	Lower grade.	Higher grade.
	RS.	RS.
For each subject ..	6	12

N.B.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time.

Note.—The examinations in Co-operation and Auditing will be in the Higher grade only, there being no examination in the Lower grade.

2. Candidates who have passed in the Second Class in any subject and grade may come up to qualify for the First Class in that subject and grade on paying the full examination fee.

3. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Imperial Bank of India, and the receipt (supplied to candidates along with forms of application) signed and given by the Treasury Officer or the Imperial Bank of India attached to the application, which in every case reach the Commissioner's office on or before the 31st January.

Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury officer to whom the amount was sent and forward the receipt so obtained to this office at once, care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's office by the date prescribed.

4. *The fee paid will, in no case whatsoever, be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates are warned to study the Notification carefully and satisfy themselves, before remitting their fees,*

that they fulfil the prescribed conditions of admission to the examination and that they can, if necessary, proceed, at their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written or the Oral and Practical Examinations.

IV. APPLICATION FORMS—PROCURING OF—FILLING IN AND THE SUBMISSION OF APPLICATIONS, ON OR BEFORE THE 31st JANUARY.

1. Candidates must send in their applications made out clearly in English on printed forms so that they may reach the Commissioner's office on or before the 31st January, after which date and for fifteen days only, applications will be entertained on payment of a penal fee of rupee one and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

2. Only one form of application should be used by each candidate, although he may bring up several subjects and come up for different grades.

Applications prepared in manuscript or typewritten forms or forms intended for other examinations will not be accepted.

To admit of the applications reaching the Secretary to the Commissioner for Government Examinations, on the due date candidates should remit their fees sufficiently early, even three or four days before the latest date so that the applications together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

3. Candidates in the mufassal should obtain the required application forms from the treasury of the taluk in which they are residents or of the district to which they belong. Candidates in Mysore and Hyderabad States should obtain the same from the Resident's Treasury, those in Travancore, Cochin and Pudukottah States from the Agent's Treasury, Trivandrum; and those in Coorg from the Treasury Officer, Coorg, Mercara. **Candidates who are residents of Madras should apply for application forms to the Secretary to the Commissioner for Government Examinations, Cathedral Post Office (Madras) and not to the Collector of Madras.**

Note.—An addressed envelope (with the required postal stamps affixed) should invariably accompany all requisitions for forms of application. No notice will be taken of a requisition not accompanied by a stamped envelope.

N.B.—No notice will be taken of any application from candidates in the mufassal requesting to be supplied with application forms from this office.

4. Candidates should write their names in Block capitals, their father's names and their house names *distinctly* and *in full* in their applications, if 'Other Hindus' they should state in column 3 of their applications whether they are 'Non-Brahman Caste Hindus', 'Adi Dravidas' or 'Adi-Andhras.'

Note.—Women candidates should write the letter 'W' in brackets against their names in column 1 of their applications.

5. Only one centre ought to be selected by each candidate, although he may offer several subjects for examination and come up for different grades. **The centre selected must invariably be the place where he is employed or ordinarily resides.**

All pupils coming up from the same institution must select the same centre, and the applications of all of them should be forwarded together (along with a covering letter stating the number of applications) by the head of that institution, no application of any *private* candidates being enclosed with these applications.

6. Every application should contain satisfactory proof of the applicant's general educational attainments by reason of which he is eligible to appear for the examinations in the subjects and for the grades in them brought up by him.

Note.—(1) (*a*) In the case of those candidates who have completed the Secondary School Leaving Certificates, full particulars with regard to the name of school, the year when and the serial number of the certificate, and

(*b*) in the case of those who have passed the Matriculation or F.A. or Intermediate in Arts, or B.A. Degree Examinations, full particulars with regard to the date and page of the *Fort St. George Gazette* announcing their success in the examinations, as the case may be, should be correctly furnished in the columns provided for the purpose in the prescribed application form for admission in the Government Technical Examinations;

(*c*) those who do not come under (*a*) or (*b*) supra should take care to see that the certificate cither at A or B on the back of the application form is submitted with the entries duly made in it and certified accordingly by the authorities concerned; and

(*d*) those who come under the category at (*c*) supra and whose general educational qualification is lower than that prescribed under Article 5 of the Notification regulating the Government Technical Examinations, should submit also a certificate from a competent person, that is, from one who has passed the Advanced or the Higher grade examination to the effect that the knowledge possessed by the applicants are up to the standard of the grade for which the candidates are applying.

(2) Candidates who do not possess the required general educational qualifications but once appeared and failed in a particular subject and grade, or were once permitted by the Commissioner to come up for a particular subject and for a particular grade will be admitted, *provided* that they are appearing in the same subject and for the same grade and that in the former case, they quote in their applications for admission to the examinations, the year when they failed and the centre at which they appeared and in the latter case the number and order of the Commissioner granting them the permission.

7. The subject the applicant desires to be examined in should be specified exactly as it is described in the Notification regulating the Government Technical Examinations or as they are described in this notice under the heading "I. Subjects and grade of Examinations."

8. *The occupation or profession of candidates, or the appointments held by them and their addresses (postal address) should invariably be stated in full in column 10 of their applications.*

Note.—Candidates should particularly see that they do not fail to sign and date their applications at the columns provided for the purpose.

9. Heads of institutions are requested to see, before the certificate at the foot of the application form is signed by them, that their institution has been recognized by the Director of Public Instruction, Madras, or by the Director of Industries, Madras, as fitted to impart instruction in the *Technical* subjects and for the grades in them brought up by their *pupils* and that they quote in the applications the number and date of the proceedings of the authority that accorded such recognition.

N.B.—Heads of institutions recognized for *General Education only* should not sign the certificate at the foot of the application form filled in by any of their pupils coming up for any of the Technical Examinations.

Note.—(1) Candidates are particularly requested to note carefully the footnotes printed under the headings (I. Subjects and Grade of Examinations and II. 3. No person will be allowed to bid at the auction, unless he furnishes an earnest money deposit of Rs. 1,000 (one thousand) at the time of sale in each depot and unless he signs his name in the sale notice to imply his acceptance of the conditions contained in that notice. No person will be allowed to deposit and bid jointly at the sale. The deposits of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests, IV Circle, Salem, who does not bind himself to accept the highest or any bid.

5. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at the foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot.

6. The highest bidders, after the sale, shall furnish in writing their correct postal addresses.

7. Immediately after the sale, each purchaser whose offer has been accepted by the Conservator of Forests, IV Circle, will be furnished with a memorandum showing the total amount due by him. He shall remit 50 per cent of this amount into any one of the Government Treasuries at Vellore or Tirupattur or into the Imperial Bank of India, Madras or Vellore, payable to the Accountant-General, Madras, within eight days of the date of confirmation of the sale and the balance less the earnest money deposit referred to in paragraph three above, before 25th March 1932 or before removal from the depot premises of the sandalwood purchased, whichever is earlier.

In every such remittance, the highest bidder shall clearly specify in the chalan or receipt, that the amount has been paid by a specified person on behalf of himself (the highest-bidder) being the purchase amount of sandalwood at the Vellore or Tirupattur depot as the case may be.

8. Should any purchaser fail to make the requisite payment on the due dates, the sandalwood purchased by him is liable to be resold at his risk, the earnest money deposit made by him forfeited to Government, and any loss accruing by such resale recovered from him, as if it were arrears of land revenue. Should, however any profit arise by such resale, the defaulter shall not be entitled to it.

9. The purchaser will be allowed a reasonable time to remove the wood he has paid for and this will be fixed by the District Forest Officer with regard to the quantity purchased, but will in no case extend beyond the 30th April 1932, after which date demurrage on wood paid for will be charged at Rs. 10 per diem and a lien will be retained on the wood till such charge is paid. The wood will be at the purchaser's risk from the date of weighment.

10. The accepted bidders when deputing their agents to take delivery must furnish each agent with a power of attorney duly stamped and bearing the signature of the person so deputed. A copy of the power of attorney must also be sent to the District Forest Officer by post with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

11. On presentation of the chalan to the Officer in charge of the depot for payment of the value of the sandalwood purchased by each merchant, the wood will be weighed, as it is, in the depot in the presence of the purchaser or his accredited agent, by an Officer of the department not lower in rank than a Forest Ranger. No further cleaning or classification of the sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted. Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased before effecting removal. If any one purchaser has purchased more than one lot or class and if there is any excess in one lot or class and deficit in the other, when weighing at the time of delivery on a particular day, the value of the deficit noticed calculated on the rate at which the main lot or class was sold will be adjusted towards the value of the excess quantity noticed in the other lot or class as the case may be, and the balance, if any, still due from the purchaser will be collected before permitting him to remove the quantity delivered during the day. If however, the net quantity delivered results in a deficit on account of dryage over the recorded quantity at the time of sale, the value of the deficit quantity at the purchased rate will be refunded in due course.

12. The purchaser shall bear the cost of weighment at the time of delivery.

13. No purchaser may remove any wood until he has paid for the full quantity purchased.

14. No sandalwood can be removed from the depot till a licence to remove sandalwood signed by the Officer of the Forest Department who weighed the wood, shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the District sale hammer.

15. The Officer conducting the sale shall be at liberty to stop the sale at any time or to prevent any person from bidding without assigning any reason for his action.

16. Each intending bidder unless specially exempted by the Conservator of Forests, IV Circle, Salem, on application made in writing at least fifteen days before the date of sale, must produce a solvency certificate signed by a responsible Revenue Officer of the district in which he resides; and the District Forest Officer holding the sale may refuse to allow, any bidder not so exempted to bid beyond the amount guaranteed in such certificate.

17. Any supplementary conditions that may be found necessary will be read out at the time of auction.

18. Further particulars can be had on application to the undersigned.

G. VENUGOPAL,
District Forest Officer.
